The process of seeking truth demands process of elimination. One may not be sure and continue to debate on which of the 72 or more sects of Islam would lead one to Heaven, or whether Quran itself is the authentic Quran and not the new Quran as created recently.

Why Muslims hate Zakir Naik so much? - Agniveer

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
