Entrepreneurial Small Business provides students with a clear vision of small business as it is today. ESB focuses on the distinctive nature of small businesses that students might actually start versus high growth firms. The authors of ESB incorporate the latest findings and best practices from academic and consulting arenas, and recognize the distinction between entrepreneurs who aim to start ...

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".
