Quake II is a first-person shooter, in which the player shoots enemies from the perspective of the main character. The gameplay is very similar to that featured in Quake, in terms of movement and controls, although the player’s movement speed has been slowed down, and the player now has the ability to crouch. The game retains four of the eight weapons from Quake (the Shotgun, Super Shotgun ...

With the DS18B20 temperature sensors in place, it was time to add the 'depth' part of the standard CDT suite. After reading an introduction to the Fundamentals of Pressure Sensor Technology, I understood that most of the pressure sensors out there would not be suitable for depth sensing because they are gauge pressure sensors, which need to have a
