robust modelling and simulation pdf

Hi, I have a question. I want to see the biasedness of beta when I omit an intercept in regression. How do I make the simulation model? If you know that, plz let me know how to make this.

Econometrics By Simulation: *Stata*

Reservoir simulation is an area of reservoir engineering in which computer models are used to predict the flow of fluids (typically, oil, water, and gas) through porous media

The purpose of this page is to provide resources in the rapidly growing area computer simulation. This site provides a web-enhanced course on computer systems modelling and simulation, providing modelling tools for simulating complex man-made systems. Topics covered include statistics and probability for simulation, techniques for sensitivity estimation, goal-seeking and optimization ...

Daisyworld, a computer simulation, is a hypothetical world orbiting a star whose radiant energy is slowly increasing or decreasing. It is meant to mimic important elements of the Earth-Sun system, and was introduced by James Lovelock and Andrew Watson in a paper published in 1983 to illustrate the plausibility of the Gaia hypothesis. In the original 1983 version, Daisyworld is seeded with two ...

OxMetrics[®] A family of software packages providing an integrated solution for the econometric analysis of time series, forecasting, financial econometric modelling, or statistical analysis of cross-section and panel data. The core packages of the family are OxMetrics[®], which provides the user interface, data handling, and graphics, and Ox Professional[®], which provides the ...

The use of discrete fracture networks for modelling coupled geomechanical and hydrological behaviour of fractured rocks

The use of discrete fracture networks for modelling

Gypsum "dehydration" phenomena, occurring when gypsum plasterboard wall assemblies are exposed to a high temperature environment, result in water vapour production and subsequent dispersion in the fire compartment; these phenomena are often neglected in relevant Computational Fluid Dynamics (CFD) simulations.

Fire behaviour of gypsum plasterboard wall assemblies: CFD

In this modelling study and economic evaluation, we calibrated a dynamic, individual-based stochastic model, the HIV Synthesis Model, to multiple data sources (surveillance data provided by Public Health England and data from a large, nationally representative survey, Natsal-3) on HIV among MSM in the UK.

Cost-effectiveness of pre-exposure prophylaxis for HIV

International Journal of Wireless Communications and Mobile Computing (WCNC) , a peer-reviewed open access journal published bimonthly in English-language, aims to foster a wider academic interest in this fast moving field, and publishes a wide range of researches on the R&D communities working in academia and the telecommunications and networking industries with a forum for sharing research ...
