(Published in 2005) By Anita Roddick . Business as Unusual charts the story of Anita and The Body Shop, and now in this new second edition for the first time Roddick talks about her work beyond The Body Shop. Anita tackles a wide range of personal and political issues from self-esteem, to human rights abuses within the context of corporate behaviour.

From Anita Roddick Books

There is a certain amount of self-promotion within the book, but I feel that's only to be expected, considering that it's called "The Body Shop Book." Overall, the information is good & (most of the time) well-presented.
