N But many death-march projects involve doing things that have never been done before " with teams that have never worked together before. N Nevertheless, team needs to agree on what processes will be formalized (e.g., change management, source code control, testing(?)), and what processes will be done on a

completely ad hoc basis.

Death-March Projects

Marco Polo was the legendary Italian merchant, explorer and traveler, who travelled to China and worked under emperor, Kublai Khan. Read this biography to learn more about his profile, childhood, life and timeline.
