VIII THE GIFT must in the end replace what we have taken away if we are to understand it. And the means to be used to reach an understanding of institutions? They are those employed by the anthropological field worker who studies social life from both outside and inside, from the outside as an anthropologist and from the inside by identifying himself with the members of the society he is studying.

from the first stage to the second, take a look at the home. A furnished flat at \$8 per week. It did not exactly beggar description, but it certainly had that word on the lookout for the mendicancy squad. In the vestibule below was a letter-box into which no letter would go, and an electric button from which no mortal finger could coax a ring.
