With the Social Contract, Rousseau became the first major thinker to argue that democracy is the only legitimate form of political organization. Scott's extensive introduction enhances our understanding of these foundational writings, providing background information, social and historical context, and guidance for interpreting the works.

The Basic Writings of Bertrand Russell was first published in 1961. Although Russell wrote a preface for it, he had no hand in selecting its contents; that daunting task fell to its editors, Robert Egner and Lester Denonn. The importance of the book lies in the picture it gives of Russell's broad and diverse interests.
