As we know from James T. Schleifer's masterful study *The Making of Tocqueville's Democracy in America* (1980), Tocqueville drew on many additional sources for his knowledge of America. Upon his return to France not only did he read a wide variety of books and documents concerning the United States, but he also continued to correspond with Americans he had met, many of whom were ex-Federalists or proto-Whigs frightened by the victory of Andrew Jackson in 1828.
