

the prison industrial complex pdf

The term "prison industrial complex" (PIC), derived from the "military industrial complex" of the 1950s, describes the attribution of the rapid expansion of the US inmate population to the political influence of private prison companies and businesses that supply goods and services to government prison agencies for profit. The most common agents of PIC are corporations that contract cheap ...

TRANSCRIPT. When WWII ended and the American deep state welded the national security establishment into place with the National Security Act, the world entered into a new era: the era of the military-industrial complex.

Episode 325 "The Information-Industrial Complex : The

Has the war on drugs caused the prison construction boom? Get 'tough on drugs' slogans led to laws that weren't smart. These 20-plus-year-old laws are unconstitutional, and were largely written with little thought to future oversight and accountability.
