A thrall (Old Norse/Icelandic: *þrall*, Norwegian: *trell*, Danish: *træl*, Swedish: *träl*) was a slave or serf in Scandinavian lands during the Viking Age. The corresponding term in Old English was *þrall*. The status of slave (*þrall*, *þrall*) contrasts with that of the freeman (*karl*, *ceorl*) and the nobleman (*jarl*, *eorl*). The Middle Latin rendition of the term in early Germanic law is *servus*.

A body swap is a storytelling device seen in a variety of science and supernatural fiction, in which two people (or beings) exchange minds and end up in each other's bodies. In media such as television and film, the device is an opportunity for two actors to temporarily play each other's characters, although in some cases, dialogue is dubbed by the original actors.
