Neoliberalism – The Dominant Ideology since Reagan and Thatcher. While the usage of the term neoliberalism varies considerably, for the purpose of this post i use the term to refer to that set of economic policies which have become popular in economic development over the last 30 years (since the late 1980s) – namely increased privatisation, economic deregulation and lowering taxation.

The Neoliberal Theory of Economic Development

An economy (from Greek *oikos*, – "household" and *nomos* – "manage") is an area of the production, distribution, or trade, and consumption of goods and services by different agents. Understood in its broadest sense, 'The economy is defined as a social domain that emphasize the practices, discourses, and material expressions associated with the production, use, and management of ...
