

transnational relations and world pdf

Transnational organization is a term used in scholarly literature. It refers to international organizations (usually, international nongovernmental organizations) that "transcend" the idea of a nation-state.. The distinction between an international and a transnational organization is unclear and has been criticized by some scholars (ex. Col  s, 2002). ...

Transnational organization - Wikipedia

Transnational organized crime (TOC) is organized crime coordinated across national borders, involving groups or networks of individuals working in more than one country to plan and execute illegal business ventures. In order to achieve their goals, these criminal groups use systematic violence and corruption. The most commonly seen transnational organized crimes are money laundering; human ...
