CITATION QUICK GUIDE. Source citations in the Turabian manual come in two varieties: (1) notes and bibliography (or simply notes) and (2) author-date. These two systems are also sometimes referred to as Chicago-style citations, because they are the same as the ones presented in The Chicago Manual of Style. If you already know which system to use,...

The concept of containers is crucial to MLA style. When the source being documented forms part of a larger whole, the larger whole can be thought of as a container that holds the source. For example, a short story may be contained in an anthology. The short story is the source, and the anthology is the container. Practice Template.
