How to Watch TV Without Cable. Approximately 10 percent of American TV patrons have canceled cable TV to reduce household costs, and statistics show the number of people cutting the cable cord doubles every year. If you are tired of...

How to Watch TV Without Cable (with Pictures) - wikiHow

Cable television is a system of delivering television programming to consumers via radio frequency (RF) signals transmitted through coaxial cables, or in more recent systems, light pulses through fiber-optic cables. This contrasts with broadcast television (also known as terrestrial television), in which the television signal is transmitted over the air by radio waves and received by a ...
