universalism against itself or pdf

Universalism is a philosophical and theological concept that some ideas have universal application or applicability. A community that calls itself universalist may emphasize the universal principles of most religions, and accept others in an inclusive manner. It is centered on the belief in a universal reconciliation between humanity and the divine. For example, some forms of Abrahamic ...

Unitarian Universalism (UU) is a liberal religion characterized by a "free and responsible search for truth and meaning". Unitarian Universalists assert no creed, but instead are unified by their shared search for spiritual growth. As such, their congregations include many atheists, agnostics, and theists within their membership.
