

### **variations on a theme pdf**

The Variations on a Rococo Theme, Op. 33, for cello and orchestra was the closest Pyotr Ilyich Tchaikovsky ever came to writing a full concerto for cello and orchestra. The style was inspired by Mozart, Tchaikovsky's role model, and makes it clear that Tchaikovsky admired the Classical style very much. However, the Theme is not Rococo in origin, but actually an original theme in the Rococo style.

Misc. Notes scan: score scanned at 600dpi filter: score filtered with 2-point algorithm explained in High Quality Scanning. I provide the original scanned version and the filtered, because the filter does some changes (smoothing, sharpening borders) and some portions of the scan get lost sometimes (when they are too small e.g.) - so you can choose your favorite.
