

visualization how to use pdf

What is visualization? Visualization is a system of focused, creative mental images that are maps to your inner worlds. Just as you navigate through the physical world using landmarks, you can navigate through your mental world by using specific mental pictures, or "mind marks." The mental imagery maps guide you to your right mind,

INTRODUCTION TO VISUALIZATION

Imagery or visualization involves using your imagination to help put your body in a more relaxed state. Just as your body can become tense and stressed in response to thoughts that make us angry or anxious, it can also become more calm and relaxed in response to calming, peaceful, and pleasant thoughts.
