Individual - American Water Works Association

Louisiana Rural Water Association (LRWA) is governed by a membership elected board of directors. LRWA is a non-profit organization established in 1978 to assist small water and wastewater systems through training, on-site technical assistance, and state operator certification.

LRWA

Engineering is the creative application of science, mathematical methods, and empirical evidence to the innovation, design, construction, operation and maintenance of structures, machines, materials, devices, systems, processes, and organizations for the benefit of humankind. The discipline of engineering encompasses a broad range of more specialized fields of engineering, each with a more ...

Engineering - Wikipedia

Astrobiology is an interdisciplinary scientific field concerned with the origins, early evolution, distribution, and future of life in the universe. Astrobiology considers the question of whether extraterrestrial life exists, and how humans can detect it if it does. The term exobiology is similar.. Astrobiology makes use of molecular biology, biophysics, biochemistry, chemistry, astronomy ...

Dane Wigington GeoengineeringWatch.org. The self-destructive behavior of the human race (with some exceptions) has long since manifested into countless catastrophic consequences that are now closing in from every direction.

Geoengineering Watch Global Alert News, March 24, 2018

Dane Wigington GeoengineeringWatch.org. Biosphere collapse will push power structures to total desperation. As has been stated so many times on the Global Alert News hour, the rapidly unfolding implosion of the global climate and countless ecosystems, along with the quest for remaining resources, is (and will continue to) fuel unbridled aggression from military industrial societies like the US ...
