

western painting today pdf

Western culture, sometimes equated with Western civilization, Occidental culture, the Western world, Western society, and European civilization, is a term used very broadly to refer to a heritage of social norms, ethical values, traditional customs, belief systems, political systems and specific artifacts and technologies that have some origin or association with Europe.

Western culture - Wikipedia

Body painting is not always large pieces on fully nude bodies, but can involve smaller pieces on displayed areas of otherwise clothed bodies. There has been a revival of body painting in Western society since the 1960s, in part prompted by the liberalization of social mores regarding nudity and often comes in sensationalist or exhibitionist forms. Even today there is a constant debate about ...
