

when minorities are strongly pdf

In sociology, a minority group refers to a category of people who experience relative disadvantage as compared to members of a dominant social group. Minority group membership is typically based on differences in observable characteristics or practices, such as: sex, ethnicity, race, religion, disability, or sexual orientation. Utilizing the framework of intersectionality, it is important to ...

Although this statement sounds intuitively plausible, the reality is that color-blind policies often put racial minorities at a disadvantage. For instance, all else being equal, color-blind seniority systems tend to protect White workers against job layoffs, because senior employees are usually White (Ezorsky, 1991).
