Push notifications are small messages that can reach audiences anywhere and anytime. There's a difference between pop-ups and push notifications. Pop-ups appear only when audiences are on the site they belong to.

Push technology - Wikipedia

A push poll is an interactive marketing technique, most commonly employed during political campaigning, in which an individual or organization attempts to manipulate or alter prospective voters' views/beliefs under the guise of conducting an opinion poll.. In a push poll, large numbers of voters are contacted with little effort made to actually collect and analyze voters' response data.
