"The great variety of topics covered in the Sonlight curriculum has provided so many opportunities to discuss important issues as a family. Our children understand that there is a world full of physical and spiritual needs, and countless people to whom we can show Christ's love.

Christian Homeschool Curriculum Catalog - Sonlight

The music of Italy has traditionally been one of the cultural markers of Italian national and ethnic identity and holds an important position in society and in politics. Italian music innovation "in musical scale, harmony, notation, and theatre" enabled the development of opera, in the late 16th century, and much of modern European classical music "such as the symphony and concerto ...

Music of Italy - Wikipedia

World history or global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...
