Philippine English is a rhotic accent due to heavy American English influence, contrary to most Commonwealth English variants spoken in neighboring countries such as Malaysia or Singapore. The only exception to this rule is the word Marlboro, which is frequently read as Malboro. Therefore, /r/ phonemes are pronounced in all positions. Native and well-educated speakers may also feature flapping ...

Language awareness and its relevance to TESOL

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.

English has developed over the course of more than 1,400 years. The earliest forms of English, a set of Anglo-Frisian dialects brought to Great Britain by Anglo-Saxon settlers in the 5th century, are called Old English. Middle English began in the late 11th century with the Norman conquest of England and was a period in which the language was influenced by French.
