A spinning top is a toy designed to spin rapidly on the ground, the motion of which causes it to remain precisely balanced on its tip because of its rotational inertia. Such toys have existed since antiquity. Traditionally tops were constructed of wood, sometimes with an iron tip, and would be set in motion by aid of a string or rope coiled around its axis which, when pulled quickly, caused a ...

Introduced in the Wrath of the Lich King expansion, Death Knights are World of Warcraft's first hero class. When the Lich King's control of his death knights was broken, his former champions sought revenge for the horrors committed under his command. After their vengeance was won, the death knights found themselves without a cause and without a home.

"The Soviets are our adversary. Our enemy is the Navy." In a perfect world, the various branches of a government (local, regional or central) should be able to cooperate and pull their resources together for the greater good. The world is not perfect. When it does not, one of the reasons usually is ...

[Edit 3/2014: I no longer endorse all the statements in this document. I think many of the conclusions are still correct, but especially section 1 is weaker than it should be, and many reactionaries complain I am pigeonholing all of them as agreeing with Michael Anissimov, which they do not; this complaint seems reasonable.
