[JNa.eBook] Writing Vivid Dialogue: Professional

This book reveals professional dialogue techniques to characterise the speaker, carry the plot forward and entertain your readers. This is not a beginner's guide. I assume that you have mastered the basics of fiction writing, and don't need an explanation of what dialogue is and why it matters for your story.

Writing Vivid Dialogue: Professional techniques for Fiction Authors. This book aims to offer a toolbox of techniques for authors to cherry pick to enable their characters to carry the plot forward and entertain their readers. Rayne suggests that this book could also be used as an advance dialogue writing course and I agree with this statement.
