For awhile this was one of the only books available on the subject of making your own ball jointed dolls and it is in Japanese. The pictures are good but some of the materials used are Japanese products and you are left wondering exactly what it is and if there are other similar substitutions that can be used.

The history of Russian animation is the film art produced by Russian animation makers. As most of Russia's production of animation for cinema and television were created during Soviet times, it may also be referred to some extent as the history of Soviet animation. It remains a nearly unexplored field in film theory and history outside Russia.
