

you aint heard nothin pdf

When it hits the fan America's population centers will explode in violence, looting, and total breakdown of law and order. It's a theory put forth by numerous survival and relocation specialists, and one that makes complete sense if you consider what happens in a truly serious collapse-like scenario.

Map: Where You Don't Want to Be When It Hits the Fan

Safety from population threats are directly proportional to how far away you are from people, but that also has high costs of its own...
