This time last year I stopped drinking alcohol and in this post I want to talk about what prompted me to do so and the ups and downs Iâ€™ve encountered over the course of my alcohol-free year.

My year without alcohol: an honest account - Life is Limitless

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.
