The Missing is a series of fictional young-adult novels written by Margaret Peterson Haddix. It tells the story of famous children from history stolen by futuristic time travelers from their place in time and accidentally sent to the 21st century as babies. They are then adopted by families in the 21st century. Because Jonah is one of the stolen children, he, along with his non-adopted sister ...

Albert Einstein has been the subject of, or inspiration for, many works of popular culture.. On Einstein's 72nd birthday on March 14, 1951, United Press photographer Arthur Sasse was trying to persuade him to smile for the camera, but having smiled for photographers many times that day, Einstein stuck out his tongue instead. This photograph became one of the most popular ever taken of Einstein ...
