digest-sized zine has few distribution options beyond trading with other zines, putting ads in other zines, and self-distributing the zine to stores that will take them on consignment. Few mag-azine distributors are willing to go through the time and paper-work involved for zines if only because they usually only cost a buck or two.

The 2000sâ€”The zine explosion of the past two decades made many people aware of zines, but a frequent lack of quality jaded many would-be retailers and readers. The absence of many of the publications that were staples of zinedom and a lack of mainstream attention created a fresh, new, open environment.

A zine (/ z i ě n / ZEEN; short for magazine or fanzine) is a small-circulation self-published work of original or appropriated texts and images, usually reproduced via photocopier. Zines are either the product of a single person, or of a very small group and are popularly photocopied into physical prints for circulation.
